

The following homework will be discussed on July 10th and July 13th:

H12.1. (Open Discussion/Preparation for the Exam) Recapitulate the content of the course taught so far and the previous exercise sheets. Think about what you would like to have explained again. Are there open questions or points that need to be clarified? Next weeks' exercise class will be room for questions, clarifications and discussions. Please send your question in an email to J.Cuesta before Monday 9th of July.
